**PRELIMINARY AMENDMENT**

Sir:

Please enter this Preliminary Amendment for the above-identified continuation reissue application prior to calculating the filing fee.

**AMENDMENT**

**To the Specification**

Please amend the specification by inserting after the title of the invention and before "BACKGROUND OF INVENTION" the following.

**--CROSS-REFERENCE TO RELATED APPLICATIONS**

This application is a continuation of reissue application Serial No. 08/889,825, filed on July 8, 1997, which is a reissue of Serial No. 08/232,290, issued as U.S. Patent No. 5,431,648 on July 11, 1995 the entire content of which is incorporated by reference herein.--

**To the Claims**

Please cancel without prejudice claims 2-79.

**REMARKS**

Applicants file this continuation reissue application based on co-pending reissue application Serial No. 08/889,825. Applicants cancel without prejudice claims 2-79. Accordingly, after entry of this Amendment, claim 1 will be pending and claims 2-79 cancelled without prejudice. Applicants intend to submit a Supplementary Preliminary Amendment prior to the first substantive examination of this application.

**To the Specification**

Applicants amend the specification as previously done in the immediately prior reissue application (a copy of which was filed in this case), to correct spelling, typographical and/or grammatical errors. See the copy of the application as filed with the handwritten amendments in column 4. Applicants amend the specification to provide related application information. Applicants submit that no new matter is introduced by these amendments.

**To the Claims**

Applicants cancel without prejudice claims 2-79. Accordingly, after entry of this Amendment, claim 1 will be pending.

If the Patent Office has any questions with respect to this continuation reissue application, it is invited to contact the undersigned.

Respectfully submitted,
